Priya Sharma

Software Engineer

+91 9876543210 priya.sharma@example.com

Bangalore, Karnataka, India

Professional Summary

Experienced and self-motivated Manager bringing forth valuable industry experience and a passion for management. Results oriented with a proven track record of working collaboratively with team members to achieve goals. Experienced in both retail and culinary settings, and adept at effectively managing all operations.

Employment History

Senior Developer
2020-01-15 - 2021-01-15

Tech Solutions India

Led a team of 5 developers to implement robust web applications for enterprise clients. Improved system performance by 40% through code optimization and architectural improvements.

Full-Stack Developer
2018-06-01 - 2019-12-31

Digital Innovations

Developed and maintained multiple web applications using React, Node.js, and MongoDB. Implemented CI/CD pipelines to streamline deployment processes.

Projects

E-commerce Platform
2021-03-15 - 2022-06-30

Tech Solutions India

Developed a scalable e-commerce platform with real-time inventory management and payment processing. Implemented responsive design for cross-device compatibility.

Skills

- JavaScript
- React.js
- TypeScript
- MongoDB

Languages

english, hindi, urdu

Strengths

Problem-solving, Leadership, Communication skills, Adaptability, Critical thinking

Hobbies

Reading tech blogs, Playing chess, Traveling, Cooking

Skills: React js, nodejs

Analytics Dashboard

2019-01-10 - 2025-04-03

Digital Innovations

Built an interactive analytics dashboard using React and D3.js for data visualization. Implemented real-time data updates and filtering capabilities.

Skills: React js, nodejs

Education

B.Tech in Computer Science

2014-08 - 2025-04-02

IIT Bombay

Graduated with distinction. Participated in various hackathons and coding competitions.

Higher Secondary

2012-06 - 2014-05

St. Xavier's College

Specialized in Science with Computer Studies.

Certifications

AWS Solutions Architect

2021-05-15 - 2025-05-15

Amazon Web Services

Certification validating expertise in designing and implementing applications on AWS.

MongoDB Developer

2020-10-10 - 2025-10-10

MongoDB Inc.

Professional certification for developing applications with MongoDB.

GitHub Contributions

- react-performance-toolkit
  An open-source toolkit for optimizing React applications performance.
- node-microservices-starter

Side Hustles

- **Tech Blogging**
  Write technical articles about JavaScript, React, and modern web development on Medium.
- **Code Mentor**
  Provide mentorship to junior developers and career switchers.

Awards

- **Innovation Award** (2022-11-10)
  Recognized for innovative approach to solving complex business problems.
- **Hackathon Winner** (2021-03-25)
  First place in company-wide hackathon for developing an automated code review tool.

A starter template for building microservices with Node.js.
